

March 26, 2020

To whom it may concern:

This letter is to verify that Robert Evans will no longer employed with Anchor Point Technology Resources as of March 27, 2020. This decision was the result of the loss of a contract for the client impacted by COVID-19. Robert received great feedback and the client as well as Anchor Point Technology Resources would rehire him if given the opportunity. If you have any further questions, please feel free to reach at Losalind.loo@anchorpointtr.com or my direct line 630-802-3143.

Sincerely,
